Crew Calling System Option

Add Crew Calling to your mini-VSAT Broadband system and offer crew and charter guests affordable voice connections

When you're cruising to your next port of call, keep your crew and passengers happy and enthusiastic by offering KVH's mini-VSAT Broadband Crew Calling service and taking advantage of the new standard in global broadband.

With the addition of the dedicated Crew Calling Gateway, you equip your mini-VSAT Broadband system with a separate VoIP telephone line exclusively for crew and passenger use. Charter guests and your crew will be able to place calls anywhere in the world using the Crew Calling phone¹ while crew usage is tracked separately from your standard VoIP usage for easy service management and tracking.

Offering access to this service is simple:

- Purchase \$25 or \$100 mini-VSAT Broadband Crew Calling cards and resell to your crew and charter guests,² or
- Minimize your administrative needs and allow your crew or charter guests to use the dedicated phone to order minutes directly from KVH Industries using their credit card.³

Either way, you're building crew morale and improving passenger satisfaction by helping them stay in touch with friends and family via mini-VSAT Broadband!

¹ Incoming calls to crew members are not permitted.

² Volume discounts available on \$25 and \$100 cards. Contact KVH sales for details.

³ Handy non-denominational calling cards provided with system; additional cards available; contact KVH sales for details.

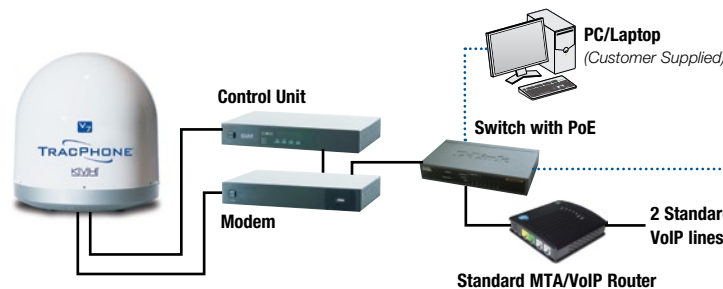

- Includes dedicated Crew Calling Gateway compatible with your choice of phones
- Tracked separately from standard VoIP usage
- Calls made using unique account & PIN purchased by crew
- Option to sell \$25 and \$100 cards directly to crew or allow crew to purchase minutes directly from KVH via phone
